

**Annual Report on Student Enrollment**  
**The George Washington University Mount Vernon Campus**  
**(Pursuant to Condition 2 of ZC Order 21-28)**  
**November 20, 2023**

**Condition 2: Student Enrollment**

Condition:

The Mount Vernon Campus student headcount shall not exceed 1,725 students on a daily basis, and the Mount Vernon Campus full-time equivalent shall not exceed 1,100 students on a daily basis. Of these students, the number of students who have housing assignments on the Mount Vernon Campus shall not exceed 800 students. For purposes of this condition:

- a. The "Mount Vernon student headcount" shall be defined as students who have a housing assignment at the Mount Vernon Campus or are enrolled in a credit-bearing course on the Mount Vernon Campus.
- b. The "Mount Vernon full-time equivalent" shall be defined as follows:
  - i. Students who have a housing assignment at the Mount Vernon Campus or take a full-time course load at Mount Vernon shall each be counted as one full-time equivalent student.
  - ii. Full-time equivalency will be determined by counting all full-time students as one and then adding up the total number of course credits enrolled on the campus by part-time students and dividing by a full-time course load (generally 12 credits), with the exception that all "Mount Vernon Residents" will equal one student (on every day of the week) for both headcount and FTE counting purposes. Currently, the full-time course load for undergraduate students is 12 credits and the full-time course load for graduate students is 9 credits. Formulas for determining full-time equivalents may change over the term of the 2022 Mount Vernon Campus Plan depending on program requirements or the restructuring of the academic calendar. If the University wishes to change the formulas, the University will inform ANC3D.
- c. Evidence of compliance with this condition for the fall semester and previous spring semester shall be made available at the quarterly community meeting detailed in Condition 9 on or before November 20th of each year. If the University identifies a failure of compliance with this condition, the University will inform ANC3D as soon as practicable.
- d. During the summer months, the Mount Vernon summer headcount (defined as all students who have a housing assignment on the Mount Vernon Campus, all students who are enrolled in a credit-bearing course on the Mount Vernon Campus, and all participants in a University-authorized event on the Mount Vernon Campus) shall not exceed 1,725 on a daily basis. This limit shall not apply to the use of the pool or tennis courts.
