Transportation Demand Management Plan

- Designate Transportation Management Coordinator
- Provide Transit Screen
- Provide Commuter Connection Rideshare Program, Guaranteed Ride Home, and Pool Program
- Provide shower and changing facilities
- Provide covered bicycle parking and bike lane in the garage
- Provide bicycle repair station on P1 level of the garage
- Provide **six** electric car charging stations in the garage
- Designate Two Car Sharing Spaces **–or– \$25,000 towards Bikeshare memberships for tenants of the building**
- Designate preferred parking for carpools/vanpools in the garage

Other Transportation Improvements

- Install a traffic signal at I Street/21st Street
- Complete final design and construct pedestrian improvements at I Street/22nd Street
- Relocate bus shelter on Pennsylvania Avenue to meet WMATA and DDOT standards
- Relocate Capital Bikeshare Station, with final location to be determined
- Contribute \$350,000 to WMATA to fund accessibility and capacity improvements at the Foggy Bottom Metro Station

DDOT Conditions

- Provide minimum of \$25,000 in Capital Bikeshare memberships for building tenants, if car share provider does not opt to use dedicated spaces in garage - **AGREED**
- Provide six electric vehicle charging stations - **AGREED**
- Schedule deliveries using WB-40 for non-peak times – **AGREED**
- Provide additional \$80,000 contribution to WMATA and conduct final design/install pedestrian improvements at 22nd Street/I Street – **AGREED to fund full cost of design/permitting/installation of pedestrian improvements at 22nd Street/I Street. Estimated cost is \$175,000 (today's dollars).**

Conclusions

- Proposed mixed-used development is anticipated to generate 35 AM net new peak hour vehicle and 46 PM net new peak hour vehicle trips
- Access to the below grade parking is proposed via the curb cut on I Street
- A traffic signal will be installed at I Street/21st Street intersection and parking will be restricted to allow southbound left turn lane during PM peak hour
- The proposed Loading Management Plan will be implemented with minor modification recommended by DDOT
- The proposed TDM plan will be implemented, with minor modification recommended by DDOT, to encourage the use of non-auto modes of transportation
- The bus shelter on the southwest corner of Pennsylvania Avenue/21st Street will be relocated to meet WMATA and DDOT standards
