Re: Z.C. Case No. 06-110 – Applicant’s Supplemental Prehearing Submission

Dear Chairman Hood and Members of the Commission:

Enclosed is the Applicant’s supplemental prehearing submission for the above-referenced matter, which includes updated information regarding the impact of the proposed campus plan amendment on the Foggy Bottom Campus Plan.

This case concerns a request for review and approval of a Campus Plan Amendment. A related application in Z.C. Case No. 06-120 seeks PUD and map amendment approval for the portion of the Campus Plan impacted by this amendment. The two cases are scheduled for a public hearing on October 12, 2017. This letter encloses two copies of the filing for the record in Z.C. Case No. 06-110. Ten hard copies of the plans and other large-format material were provided for distribution in connection with the filing in Z.C. Case No. 06-120.

If you have any additional questions, please feel free to contact us.

Sincerely,

David M. Avitabile
