Condition C-4: Foggy Bottom Campus Student Population

Condition:

For the duration of this Plan, Foggy Bottom student headcount shall not exceed 20,000 students, and Foggy Bottom student full-time equivalent shall not exceed 16,553.

- a. For the purposes of these Conditions,
 - i. **“Foggy Bottom student headcount”** shall be defined as the number of GW students in the “Foggy Bottom/Mount Vernon Campus Total Student Body”, minus: study abroad students, continuous enrollment students, students that reside at the Mount Vernon Campus, students that take all of their courses at the Mount Vernon Campus, and Foggy Bottom faculty and staff accounted for pursuant to Condition C-5 herein who are also enrolled in one or more courses at the Foggy Bottom campus. Notwithstanding the foregoing, students who reside in on-campus beds on the Foggy Bottom Campus shall be counted toward the Foggy Bottom student headcount.

Note that students taking all of their courses at the Corcoran are not specifically deducted from this number as they are not included in the “Foggy Bottom/Mount Vernon Campus Total Student Body” by virtue of their courses not being located on the Foggy Bottom or Mount Vernon Campuses.¹
 - ii. **“Foggy Bottom student full-time equivalent”** shall be determined by assigning a fraction to part-time students included in the Foggy Bottom student headcount number based on the number of credits they are taking compared to a full-time course load and adding the number of full-time students. Currently, the full-time course load for undergraduates is 12 credits, and the full-time course load for graduate and professional students is 9 credits. Formulas for determining full-time equivalents may change over the term of the proposed Foggy Bottom Campus Plan depending on program requirements or the restructuring of the academic calendar.
- b. An audit of the Foggy Bottom student headcount and Foggy Bottom student full-time equivalent reported pursuant to Condition C-15 herein shall be conducted in a manner and by a firm previously approved by the Zoning Administrator and reported to the Advisory Committee. The audit shall be completed by January 10 of the year following each report submitted pursuant to Condition C-15 herein.
- c. Compliance with this condition shall be based upon the data reported for the most recent semester in either the Foggy Bottom Campus Plan Compliance Report required in Condition C-15 or in the Interim Foggy Bottom Campus Plan Compliance Report required by Condition C-16.

Condition:

For the duration of this Plan, the Foggy Bottom faculty and staff population shall not exceed a total of 12,529 on a headcount basis, and 10,550 on a full-time equivalent basis.

- a. For the purposes of these Conditions,
 - i. **“Foggy Bottom faculty and staff headcount”** shall include: regular full-time faculty and staff; regular part-time faculty and staff; wage account staff that are not Foggy Bottom students accounted for pursuant to Condition C-4; temporary part-time faculty (excluding part-time clinical faculty who are not paid employees of the University); affiliated faculty employed by the Medical Faculty Associates; and visiting instructional and research faculty. For the purposes of these Conditions, Foggy Bottom faculty and staff shall not include faculty and staff whose primary office locations are not on the Foggy Bottom campus; employees of non-GW owned or controlled entities which are located on the Foggy Bottom campus; and contractors that provide ancillary campus-related service functions who are not employees of the University.
 - ii. **“Foggy Bottom faculty and staff full-time equivalent”** shall be determined by assigning a fraction to part-time employees included in the Foggy Bottom faculty and staff headcount number based generally on the number of hours worked as compared to the standard full-time 40 hour work week.
- b. Compliance with this condition shall be based upon the data reported for the most recent semester in either the Foggy Bottom Campus Plan Compliance Report required in Condition C-15 or in the Interim Foggy Bottom Campus Plan Compliance Report required by Condition C-16, whichever is the most current.

GW Response:

Compliance with this condition shall be based upon the data reported for the most recent semester in either the Foggy Bottom Campus Plan Compliance Report required in Condition C-15 or in the Interim Foggy Bottom Campus Plan Compliance Report required by Condition C-16, whichever is the most current.

- a. *For the purposes of this Condition,*
 - i. *“full-time Foggy Bottom undergraduate students” shall be defined as follows:*
 - A. *Until the fall 2010 semester or until the completion and occupancy of the next University residence hall project proposed in accordance with the Foggy Bottom or Mount Vernon Campus Plans, whichever event first occurs, the term shall mean the number of students in the “Foggy Bottom/Mount Vernon Campus Total Student Body”¹ minus graduate students, first professionals (JDs and MDs), undergraduates taking fewer than 12 credit hours at the Foggy Bottom campus, non-degree students, full-time undergraduate study abroad students, undergraduate continuous enrollment students, and full-time undergraduate students accounted for under the Mount Vernon Campus Plan Order (BZA Order No. 16505), which does not differentiate between resident and non-resident students.*
 - B. *Once either of the above-described events occurs, the terms shall have the same meaning as above, except only full-time undergraduate students who reside on the Mount Vernon Campus plan will be subtracted from the “Foggy Bottom/Mount Vernon Campus Total Student Body.”*

Zoning Administrator
Department of Consumer and Regulatory Affairs
Government of the District of Columbia

We have examined the Fall 2020 Census Data submitted by The George Washington University (GW) to the District of Columbia Office of the Zoning Administrator on November 20, 2020. GW is responsible for the census data. Our responsibility is to express an opinion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the classification of students in the enrollment methodology used by GW to report on compliance with the 2007 Foggy Bottom Campus Plan Zoning Order, dated October 26, 2007 and modified on May 4, 2015 (the "Zoning Order") and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the Census Data referred to above presents in all material respects, the "Foggy Bottom Student Head Count" and "Foggy Bottom Full-Time Equivalent" as defined in the Zoning Order based on the enrollment methodology described in Note 2. This report is intended solely for the information use of The George Washington University and the District of Columbia Office of the Zoning Administrator and is not intended to be and should not be used by anyone other than these specified parties.

THE GEORGE WASHINGTON UNIVERSITY
NOTES TO CENSUS DATA
Fall 2020

NOTE 1 BACKGROUND

The George Washington University (GW or University) has agreed to certain limits on various categories of student enrollment in connection with the request for zoning variances for its various real estate projects. These limits are carefully defined in the GW Zoning Order. This Zoning Order also outlines the manner with which the students are to be counted in categories on which limits have been placed. The provisions of the Zoning Order are monitored by the Zoning Administrator for the District of Columbia.

NOTE 2 COVID PANDEMIC ENROLLMENT IMPACT

George Washington University has advised that the numbers of students enrolled Off Campus for Fall 2020 is significantly higher than in past years due to the restrictions GW put into place in response to the Covid-19 pandemic. As a safety precaution, GW limited the number of students on the Foggy Bottom Campus while permitting many students to remain enrolled through online courses.

NOTE 3 ENROLLMENT METHODOLOGY

The George Washington University defines the Total GW Student Body Head Count as all students, full-time and part-time, undergraduate, graduate and non-degree, enrolled in a creditable course at GW at the Foggy Bottom Campus, the Mount Vernon Campus, the Virginia Campus and other locations or via distance education. This total is reported to the U.S. Department of Education (Education) through the Integrated Post-Secondary Education Data System (IPEDS), the standard reporting mechanism for institutions of higher education within the United States. IPEDS defines parameters for including or excluding students from the official student enrollment counts.

GW derives the On Campus (Foggy Bottom/Mount Vernon) Total Student Body Head Count by subtracting from the Total GW Student Body Head Count students not enrolled in courses at the Foggy Bottom or Mount Vernon campuses. Campus location is determined by the geographic designation for each course in which a student is enrolled.

GW derives the Foggy Bottom Total Student Body Head Count (the Head Count), consistent with Condition C-4(i) of the Foggy Bottom Campus Plan Zoning Order dated October 26, 2007 (the Zoning Order), by subtracting from On Campus Total Student Body Head Count (i) students enrolled in study programs outside of the United States for the semester (“Study Abroad”), (ii) students taking no courses who are enrolled for administrative purposes allowing the student to maintain good standing for graduation (“Continuous Enrollment”), (iii) students residing at the Mount Vernon Campus, (iv) students taking courses only at the Mount

THE GEORGE WASHINGTON UNIVERSITY
NOTES TO CENSUS DATA
 Fall 2020

NOTE 3 ENROLLMENT METHODOLOGY (CONTINUED)

Vernon Campus, and (v) Foggy Bottom faculty and staff accounted for under a separate section of the Zoning Order, condition C-5, who are also enrolled in one or more courses at the Foggy Bottom Campus.

GW derives the Foggy Bottom Total Student Body Full Time Equivalent, consistent with the Zoning Order, by counting students included in the Foggy Bottom Total Student Body Head Count once for each full-time student and as a fraction of full-time for a part-time student. The part-time student fraction is based on the number of credit hours constituting a full-time program for each classification of students. For undergraduates and non-degree students, a full-time program is 12 credit hours (thus a student taking 6 credit hours is counted as 0.5 FTE). For graduate students, a full-time program is 9 credit hours. For law degree students in the Law School (JD candidates), a full-time program is 12 credit hours.

All students in the School of Medicine and Health Sciences (MD candidates) are considered full-time.

Students enrolled at GW and included in the Total GW Student Body Head Count reported through IPEDS are tracked among the elements contained in the Banner system, GW's enterprise-wide database application from which the census data was drawn. Attendees of any seminars and conferences not enrolled in a GW course are not maintained in the database and not reported to Education because they are not included in the IPEDS definition of students enrolled in creditable courses.

There were no counts available for such attendees and they are thus excluded from the census data presented here and in the semi-annual reports to the Office of the Zoning Administrator.

NOTE 4 DEFINITIONS

Student	An individual enrolled at GW as either an undergraduate, graduate, first professional (JD's and MD's), or persons enrolled in creditable courses offered by GW (e.g., foreign exchange and other non-degree students).
Enrollment	Students registered in at least one creditable course at GW are considered enrolled at GW.

THE GEORGE WASHINGTON UNIVERSITY
NOTES TO CENSUS DATA
 Fall 2020

Full Time Equivalent (FTE)	The number of full-time students (undergraduate, graduate, first professional and non-degree) and the total credit hours taken by part-time (including continuing research) students in each category divided by the relevant credit hours to be considered full-time (9 for graduate students and 12 for all others). All MD students are considered full-time.
Study Abroad	Students studying outside of the United States during the 2020 Fall Semester registering and paying full tuition for credit courses through GW. These students are considered to be in affiliated programs and included in the students reported to Education. Students studying abroad in non-GW programs paying only nominal fees to GW are considered to be in unaffiliated study abroad programs and are excluded from the total student body under the IPEDS definition.
School Without Walls	The School Without Walls (SWW) is a District of Columbia public high school located on District-owned property within the boundaries of GW's Foggy Bottom Campus. Under a long-standing relationship between GW and SWW, students from the high school are permitted to take courses at GW. SWW students taking such courses are included in the data reported to the US Department of Education and the Total GW Student Body Head Count. However, these students are excluded from Foggy Bottom Total Student Body Head Count as reported under the Zoning Order since the SWW is located in the Foggy Bottom neighborhood.
Continuous Enrollment	Students enrolled for administrative purposes but not registered for, or taking any, creditable courses.
