

Status Report on Condition C-13(b) (Off-Street Parking Census)

Condition:

The University shall continue to provide at least 2,800 off-street parking spaces, including proposed spaces to be dedicated for University use on Square 54 and all University-owned parking spaces on Square 122 (specifically including the parking lot and garage spaces at Old Main located at 1922 F Street, N.W.) The number of off-street parking spaces required to be provided may be increased in any subsequent further processing order pursuant to this plan if necessary to mitigate the adverse impact of the approved uses on the University's parking resources. The University shall monitor its utilization of University parking facilities to determine usage patterns and conduct ongoing assessment of parking needs.

GW Response:

The number of University-provided off-street parking spaces located in areas covered under this condition as of November 23, 2010: 3,739. Spaces include striped self-park and assigned valet parking spaces.

The Square 39 project proposed in this application will require the closure of Lot 10, the Warwick Lot (bold in the chart below).
