

GW/Community Partnership Advisory Working Groups Membership List

There are four Community Partnership Advisory Working Groups (***Facilities Planning, Student Life and Safety, Transportation and Parking, and Community Engagement***) that meet regularly in support of university planning efforts. Each Advisory Working Group will be chaired by and consist of community and university representatives and will meet monthly to discuss issues. At the Mount Vernon Quarterly Meeting, co-chairs of the Advisory Working Groups would present updates to the community on the progress of the work.

Facilities Planning: The Facilities Planning Advisory Working Group collaborates on issues related to physical campus facilities, including existing and proposed development and renovation projects as well as landscaping.
