Re: **Z.C. Case No. 06-11C/06-12C – Square 39 (SPHHS)**
Motion for Leave to File Amendment to Proposed Order

Dear Chairman Hood and Members of the Commission:

In response to a request from WECA, the University respectfully requests that the Commission accept the following substituted Finding of Fact #48:

48. *At the hearing, the Commission received evidence and heard testimony from many faculty, students and neighbors, including WECA, in support of the Application. WECA indicated it was in support because GW agreed to:*
- a. *Install segmented benches in the expanded park at the intersection of 24th Street and New Hampshire Avenue as shown on the plans;*
 - b. *Use non-brick sidewalks along Washington Circle as shown on the plans and bricks laid in concrete for the remaining streetscape improvements surrounding the site;*
 - c. *Remove the proposed loading dock and limit loading service hours.*

In its supplemental pre-hearing submission and at the public hearing, the University acknowledged that it had agreed to make these changes.

Please contact Dave at (202) 721-1137 with any questions.

Sincerely,

David Avitabile
