

GW/Community Partnership Advisory Working Groups **Membership List**

There are two Community Partnership Advisory Working Groups (***Facilities and Transportation & Safety and Community Life***) that meet regularly in support of university planning efforts. Each Advisory Working Group will be chaired by and consist of community and university representatives and will meet monthly to discuss issues. At the Mount Vernon Quarterly Meeting, co-chairs of the Advisory Working Groups would present updates to the community on the progress of the work.

Facilities & Transportation: The Facilities & Transportation Advisory Working Group collaborates on concerns related to physical campus facilities, including existing and proposed development and renovation projects, as well as addresses issues related to travel and mitigation of university-related traffic on the community.
